

PRODUCT UPDATES

New Product

Ordering Lenalidomide Viatriis:

- Only pharmacists who are registered on www.viatriiscare.co.nz should order Lenalidomide Viatriis.
- Lenalidomide Viatriis is available to order via your preferred wholesaler.
- DO NOT place an order with the wholesaler unless you have verified that the Prescription Authorisation Code (PAC) in the system is valid.

Product Changes

For information – Risperon® pack size change

The temporary change to 100mL Risperon® packs has now ceased, and we are able to supply in the original 30mL pack size (see below for codes, description & pack price).

Please note that the new pack will no longer feature a plastic cover on the pipette.

Please update your customers on these changes and place all ongoing orders using this information.

	Pharmacode	Viatriis code	Description	Pack size	Outer size	Price
